SYDNEY ON SHOW!

Known as Australia's "harbour city", Sydney offers a fabulous backdrop for the event, from a landmark venue with the International Convention Centre (ICC), to a blend of exciting city life and incredible adventures in nature. Our iconic host city is a destination to be savoured in its own right with some great attractions on offer for visitors to enjoy and will be sure to provide you the full conference experience.

ACCOMPANYING PERSONS

Those who are accompanying delegates to our premier conference will not be short of things to do. We have worked hard to ensure our event is inclusive for everyone. Which is why we have created additional tours to keep those attending with a dental professional entertained, along with a dedicated lunch just for the Accompanying Persons.

ACCOMMODATION

In a city as dynamic and cosmopolitan as Sydney, you are not short of a selection of world class hotels that are excited to welcome you for the FDI World Dental Congress. From our sparkling harbour, pretty beaches, and hipster neighbourhoods, the harbour city has a hotel to suit your desires.

EXHIBITION

Spread across multiple halls at the ICC, our dental exhibition will be attended by the most prominent figures in the dental industry, allowing you to connect and network with representatives from top companies and to see the latest advances in products and services.

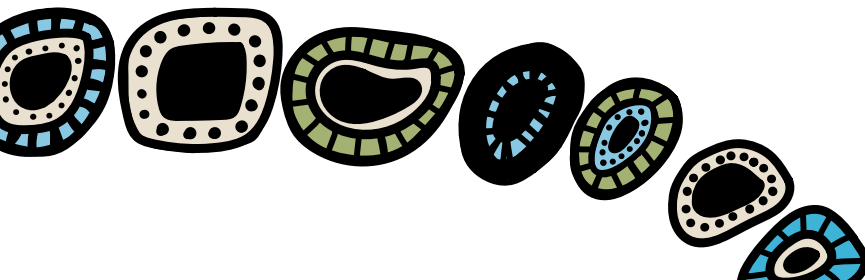

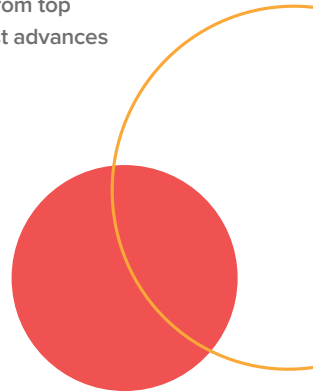

OPENING CEREMONY

The Congress opening is on Saturday 23rd September at 6pm at the ICC, where you will experience an Australian Welcome to Country, sparkling entertainment, the traditional FDI flag ceremony and a whole lot more.

GALA DINNER

Held in the historic Sydney Town Hall right in the heart of the city. We invite you to enjoy drinks, a sit-down dinner and a chance to come together with other delegates to relax after a conference day.

WHOLE OF PRACTICE

A dental practice doesn't stop at the dentist, each clinic's foundations are created by teamwork and a variety of individuals. Our event caters to the whole of a practice's needs by providing an additional stream specified for all dental job roles.

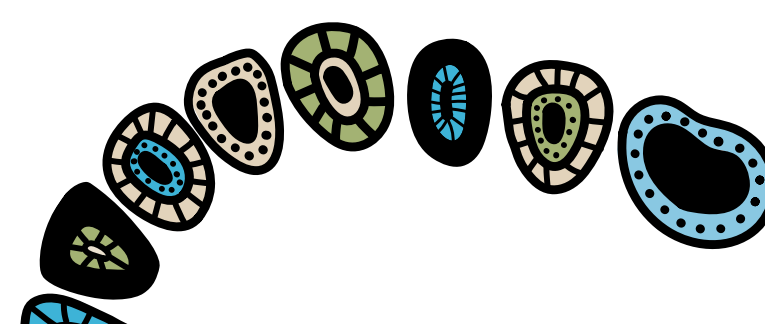

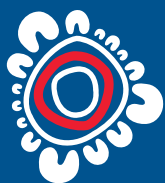

SYDNEY NIGHT

Enjoy the Harbour city by night with a cocktail event not to be missed right on our iconic Sydney Harbour with entertainment, music and a selection of the finest Australian food and drink.

MORE THAN JUST AN EVENT

In addition to our extensive scientific programme, variety of workshops and incredible social programme, we have arranged extra activities like a fun run, Tooth and Wicket cricket and more!
